Schedule your FLU SHOT

Our Process

LISH is now providing the opportunity for **at-home flu shots**. LISH has partnered with Ambulnz, their team of certified EMTs will arrive on-site, assist with virtual visits and administer the influenza vaccine as ordered.

1. Schedule your appointment for a virtual visit with a LISH provider
2. On the date of your appointment, Ambulnz will come to your home to conduct the virtual visit
 - You will be notified via text when Ambulnz is arriving
3. Upon completion of the virtual visit, Ambulnz healthcare professionals will administer the flu-shot to the individual/residents

Ambulnz offers care from highly-motivated and trained EMTs and transport in the newest ambulance designed for greater comfort and reduced stress.

To schedule your appointment, contact:
